

## King's Welcome Days for future students this weekend

FOR IMMEDIATE RELEASE – March 6, 2014

London, ON- King's will open its campus to future students, their families and friends on Friday March 7, 6 p.m. – 8:30 p.m. and on Saturday March 8<sup>th</sup>, 1 p.m. – 3:30 p.m. for our annual March Break Welcome Days. For the first time, the event will be centered in the Darryl J. King Student Life Centre. Tours of campus will run both days and King's faculty and staff will be on hand to answer questions about academic programs and support services.

"At King's we offer small, interactive classes and combine that with a big sense of community. Here, our students truly get connected and make a difference. And, they get the best of both worlds: a close knit educational experience at King's is tied to the big school atmosphere of Western," says Marilyn Mason, Registrar. "King's students earn a Western degree."

King's highly rated faculty are accessible to students inside and outside the classroom. Our students enjoy a wide range of undergraduate programs in the liberal arts, business and social work. We also offer a Master of Social Work.

On both days visitors can take a tour of the campus and residence, meet faculty members and staff, view displays and videos and meet current students.
