## Upcoming Recruitment and Career Events Week of September 16<sup>th</sup> to September 20<sup>th</sup>

### ONETD – TD Bank Information Session

Monday, September 16<sup>th</sup> from 3:00pm – 4:30pm – PAB 100 & Atrium

Join us at the ONETD Information Session on September 16<sup>th</sup> at 3:00pm to learn more about the various lines of business and the exciting new graduate, summer internship and co-op opportunities available to both undergraduate and graduate students. TD provides an ideal launching pad for a successful career, with the ability to achieve professional and personal goals – all within an environment that is in sync with the values of students today.

**Target: Graduate and Undergraduate students in DAN Management, Commerce, Communications, Computer Science, Engineering, Risk Management, Information Systems, FIMS, Economics, Statistics**

*Registration Instructions:* Please register on Western Connect

### Grant Thornton LLP Information Session

Monday, September 16<sup>th</sup> from 5:30pm – 7:00pm – UCC 147A/B

Grant Thornton LLP is a leading Canadian accounting and business advisory firm providing audit, tax and advisory services—locally and across Canada to dynamic privately owned, publicly listed and public sector organizations. Together with the Quebec firm, Raymond Chabot Grant Thornton LLP, we have approximately 4,000 people in offices across the country. As a member of Grant Thornton International Ltd, we benefit from being part of a network of more than 50,000 people providing clients with distinctive and personalized service in over 130 countries.

**Target: Undergraduate students in 2nd to 4th year in DAN Management**

*Registration Instructions:* Please register on Western Connect

### Mawer Information Session

Monday, September 16<sup>th</sup> from 5:30pm – 7:00pm – PAB 100

Mawer Investment Management Ltd. is a privately owned, independent investment firm, managing over \$50 billion in assets for individual and institutional investors across all major investment strategies. As bottom up, fundamental investors, we seek excellent securities with sustainable competitive advantages, regardless of industry or economic conditions. We believe that by consistently following our investment philosophy and process we can provide investors with above average, long-term, risk-adjusted returns.

**Target: Diversity is important to us and so we encourage students from all fields of study to learn about, not just our Research team, but our firm – no matter your background.**

*Registration Instructions:* Please register on Western Connect

## Engineering Resume & Cover Letter Workshop

Tuesday, September 17<sup>th</sup> from 4:30pm – 5:30pm – ACEB 1410

Want to have your Engineering Resume & Cover Letter stand out to an employer?

At this session Kelly Sexsmith and Lisa Macsween, Engineering Career Services Officers, will be teaching you how to structure and format these documents to best highlight your background experiences.

**Target: Engineering Undergraduate and Graduate Students.**

*Registration Instructions:* Please register on Western Connect

## Manulife – Actuarial Development Program Information Session

Tuesday, September 17<sup>th</sup> from 6:00pm – 8:00pm – The Garden at Somerville House

When you join Manulife, you embark on an exciting journey that helps nurture you as well as challenge you. You get to work with a global team of colleagues who share your ambition and where you will have the opportunity to do impactful, transformative and rewarding work. As an actuary, you will be at the core of Manulife's business and a key driver of our success. Come and discover the exciting opportunities available and how you can start your career here – as a Co-op or a Full-time. We are currently hiring for 2020 and we look forward to meeting you. Application deadline: Sept 18 11:59pm

**Target: Undergraduate and Graduate Students in Actuarial Science, Mathematics and Statistics**

*Registration Instructions:* Please register on Western Connect

## Restaurant Brands International Information Session

Tuesday, September 17<sup>th</sup> from 5:30pm – 7:00pm – Propel Entrepreneurship Centre WSS 2130

Part of the 3G family, Restaurant Brands International (RBI) is one of the world's largest quick service restaurant companies. We're the people behind three of the biggest names in food: TIM HORTONS®, BURGER KING®, and POPEYES®. With more than 23,000 restaurants in over 100 countries and U.S. territories, we continue to grow our teams with strong operations, bold marketing, mobile innovation and the best talent across the globe. Our Leadership Development Program (LDP) is one of our most important ways of growing the future leaders of our global business. Join us and you'll be given the chance to prove yourself on real-world challenges from the very start. The learning curves are seriously steep here – and the early exposure to leadership responsibility is unlike anything you'll get elsewhere.

**Target: Undergraduate and Graduate students in all programs and faculties**

*Registration Instructions:* Please register on Western Connect

## BOS Innovations Information Session

Tuesday, September 17<sup>th</sup> from 5:30pm – 7:00pm – PAB 100

BOS Innovations provides innovative assembly automation, laser welding and cutting, collaborative and specialized robotic integration, and vision inspection solutions. The BOS team is a well-rounded group of engineering, controls, machine build, and manufacturing professionals, supported with a full managerial staff, to confidently provide a complete machine building team to its customers across Ontario, the United States, Mexico and China.

BOS is committed to be an engine for developing young people into inspired professionals of character and competence that can benefit themselves as individuals, each other in an innovative workplace, and our society by providing a mentee focused mentorship program available to all staff, including students, and a youth development program.

**Target: Undergraduate and Graduate students in Engineering, specifically those in Electrical, Mechanical, Mechatronics, Mechanical & Materials Engineering**

## Enterprise Information Session

Wednesday, September 18<sup>th</sup> from 5:30pm – 7:00pm – UCC 147A

Join us on September 18<sup>th</sup> to learn about Enterprise Holdings Canada - We're here to take your talents to new heights! Whether it's constant growth and development, opportunities for promotion, meaningful work or just colleagues you can have fun with along the way, one thing is for certain. You'll find it all (and much more) at Enterprise Holdings.

Do you want to learn how to inspire and lead while getting valuable, hands-on experience across customer service, sales & marketing, finance and operations? If the answer's yes, then a Management Trainee role is for you. With a little guidance, you'll quickly grow to understand how to manage a successful, multimillion-dollar business. With our unique promote-from-within culture, you'll always be making progress in your career – and flourishing in ways you've never imagined.

**Target: Undergraduate and Graduate students in all programs and faculties**

*Registration Instructions:* Please register on Western Connect

## SunLife Financial – Actuarial Science Information Session

Wednesday, September 18<sup>th</sup> from 5:30pm – 7:00pm – The Garden at Somerville House

Our student and new graduate programs offer a chance to explore Sun Life from the inside. You'll make a difference in the lives of our customers and communities, while building the skills and experience that allow you to grow in a meaningful and rewarding way.

We'll be recruiting for both Summer 2020 co-op positions as well as full-time opportunities.

**Target: All Undergraduate and Graduate students in Statistics, Mathematics, Business, Engineering and Actuarial Science with an interest in pursuing a career in actuarial science**

*Registration Instructions:* Please register on Western Connect

## International Students – What You Need to Know to Get a Job Career Workshop

Thursday, September 19<sup>th</sup> from 4:30pm – 6:30pm – Chu Centre

Learn effective job search strategies to find work in Canada. Gain insight on Canadian immigration regulations for working on or off campus and starting your career after graduation.

**Target: All students**

## MOS Internship Information Session

Thursday, September 19<sup>th</sup> from 5:00pm – 6:45pm – SSC 3022

Event is for 3rd year MOS students from main campus and the affiliate colleges.

*Registration Instructions:* Please register on Western Connect

## STEMCELL Technologies Information Session

Friday, September 20<sup>th</sup> from 12:30pm – 2:00pm – PAB 100

STEMCELL offers exciting and rewarding career paths for those with scientific training who wish to continue with a research-based career, those who are looking to support science away from the lab bench, and people with expertise outside of (or in addition to) science who are passionate about working for an international, fast-paced, growing company that supports the advancement of health sciences research globally. We offer internal training and career mentorship so that employees can grow and develop their career interests and skills, defining their own careers over time.

**Target: ALL students in Engineering and Science programs with an interest in Life Sciences and Biotechnology**

*Registration Instructions:* Please register on Western Connect
