

# King's is becoming a SMOKE + VAPE FREE CAMPUS

Designated smoking areas will be provided starting July 1, 2018.  
Campus will be smoke free starting July 1, 2019.

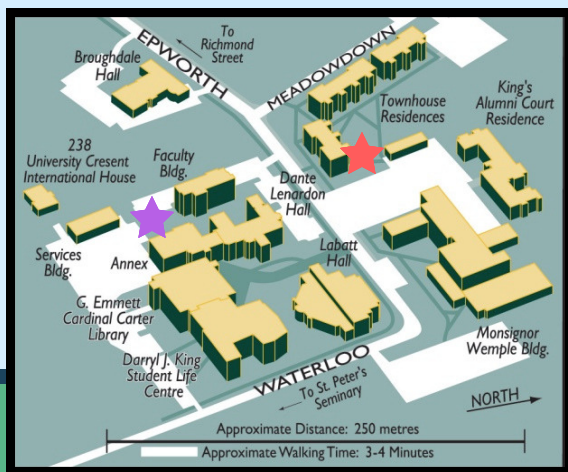

## Designated Smoking Areas

On the hill beside P1 and  
Townhouses

On the hill south of the  
Faculty Building

- A smoke-free campus provides many health benefits including preventing the effects of secondhand smoke.
- The campaign will have two phases to help smokers adjust.
- Institutions including Western will be smoke-free by July 2019.
