

Mathematics Boot Camp

January 2018 - at King's

For students taking math 0110B/1230B; review includes:

- (1) basic mathematical operations (review for 0110B/1230B)
- (2) Log functions, exponential functions (mainly for 1230B; “look ahead” for 0110B)
- (3) Introductory calculus (review for 1230B)

Session 1:

Math operations

January 12, 2018

10:00 - 12 noon
Location: LH 105C

Session 2:

Functions

January 12, 2018

2:30 – 6:30 PM
Location: LH 100

Session 3:

Review of differentiation

January, 13 2018

1:00 – 4:00 PM
Location: LH 100

An initiative of the Department of Economics, Business, and Mathematics
