Extra Information:

NOTE: Students are responsible for ensuring that their selection of courses is appropriate and accurately recorded, that all course prerequisites have been successfully completed, and that they are aware of any anti-requisite course(s) that they have taken. Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Electronic Study Spaces:
There are literally millions of electronic sites available to supplement and complement your studies in this course. Your instructors will also guide you to other wonderful sites such as the Gutenberg Project, various museums around the world, and selected archives. Another invaluable site is www.britannica.com; it includes images, articles, videos, etc. The New York Metropolitan Museum’s Timeline in Art History links work of art with curated essays and historical chronology https://www.metmuseum.org/toah. You can take online tours of the Louvre in Paris https://www.louvre.fr/en/visites-en-ligne#tabs. Christopher Witcombe’s art history site is splendidly easy to use and offers spectacularly clear images https://www.wga.hu/support/viewer/z.html. If you find one you are particularly keen on, share it with us.
**Essay Instructions:**
All written work must conform to standard English language practice. That is to say, correct spelling and grammar are critical to the clarity of expression as well as the confidence and persuasiveness of your argument. As well, your written work will be expected to include such structural principles as a thesis, a body of evidence drawn from the text(s) under discussion, and in the research paper from both primary and secondary sources. All essays must conform to ONE of the standard citation styles: MLA or Chicago (not APA). You can also access some of this information at a very useful site at Purdue University http://owl.english.purdue.edu/owl/resource/747/06

**Policy for Late Assignments:**
**Assignments are due on the specified due date.** Please read the Policy on Accommodation for Medical Illness on OWL. Extensions are granted for medical/compassionate reasons only BEFORE the assignment is due or prior to the test/exam. No extension will be granted on the day the assignment is due or the day of the test or exam. Please also note the following departmental regulations.

1. A penalty of one mark per day (including weekends) will be assessed for late assignments beginning the first day after the deadline.
2. **No assignment will be accepted after the 7th day.**
3. Assignments submitted after the 7th day will only be accepted on medical grounds for which documentation must be provided to the Office of the Academic Dean.
4. No assignment will be accepted after the last day of classes unless (3) applies.

**Make-up Tests:** Students who miss a test due to illness MAY be offered the opportunity of taking the test as soon as possible after the scheduled writing, but only after consultation with and permission of the instructor.
