We acknowledge that our campus at King's University College is situated on the traditional territories of the Anishinaabeg, Haudenosaunee, Lenapeewak, and Attawandaron peoples, all of whom have longstanding relationships to the land of Southwestern Ontario and the City of London. The First Nations communities of our local area include Chippewas of the Thames First Nation, Oneida Nation of the Thames, and Munsee Delaware Nation. And in our region, there are eleven First Nations communities, as well as a growing indigenous urban population. King's University College values the significant historical and contemporary contributions of local and regional First Nations, and all of the Original Peoples of Turtle Island (also known as North America).
