# Bachelor of Management and Organizational Studies 4-year Specialization – Finance and Administration

Rev Jan 2015 Effective September 1, 2015

**Bachelor of Management and Organizational Studies (BMOS) Four-Year SPECIALIZATION**

The Bachelor of Management and Organizational Studies Four-Year degree must include one of the following three Specialization Modules:

SPECIALIZATION IN FINANCE AND ADMINISTRATION

SPECIALIZATION IN GLOBAL COMMERCE

SPECIALIZATION IN ORGANIZATIONAL AND HUMAN RESOURCES

**Admission Requirements**

Students may **not** apply to enter a Specialization in BMOS when they apply for admission to the university. Because enrolment is limited, possession of the University's minimum admission requirements does not guarantee admission. Students applying with the Ontario Four-Year Grade 12 curriculum must complete an Ontario Secondary School Diploma, including English (ENG4U), plus two of either Advanced Functions (MFH4U), Calculus and Vectors (MCV4U) or Math of Data Management (MDM4U) and best 3 Grade 12U or M courses. PLEASE NOTE: Certain courses and programs require Calculus and Vectors (MCV4U) as a prerequisite. To ensure greater program choice and flexibility, taking MCV4U in Grade 12 is HIGHLY recommended.

Students applying for a BMOS SPECIALIZATION after first, second, or third year must

- a) have an overall average of at least 70% on the last 5.0 courses completed;
- b) have obtained a passing grade for each course required for admission to the module, and a passing grade for all option courses; and
- c) have a minimum cumulative average of 65%.

Students enrolled at another affiliated university college or the constituent university must meet the admission requirements in order to transfer into a BMOS SPECIALIZATION at King's.

**Progression Requirements**

To progress in the BMOS SPECIALIZATION, students must

- a) maintain a minimum cumulative average of 65%
- b) obtain a minimum sessional average of 60% in the fall/winter term\*

\* Sessional averages are calculated in May, after the fall/winter term.

In order to be readmitted to the BMOS SPECIALIZATION, students must complete 5.0 additional courses in another discipline, achieve a minimum average of 70% in their last 5.0 courses, and have a cumulative average of 65%.

**Graduation Requirements**

Students must obtain a minimum overall average of 65% on the 20.0 courses to be counted for graduation. Students with advanced standing must achieve an overall average of 65% on courses completed at Western and affiliates.

In addition to the module requirements for the different streams, all BMOS Four-Year Specialization students require the following before graduation:

- 1.0 Ethics course, as noted in the module requirements.
- 2.0 designated essay courses (E, F, or G), 1.0 at the senior level.
- 1.0 course from each of Categories A, B, and C.

**Minor Module Combinations**

BMOS Specializations may be completed in conjunction with a Minor in a wide range of subject areas. Students planning to complete a BMOS Specialization with a Minor should plan their course selection with careful attention to prerequisites and King's residency requirements. The requirements for specific Minors are listed elsewhere in the calendar.
