After second year, students applying for a BMOS HONORS SPECIALIZATION must

- have achieved an average of at least 73% on the last 5.0 courses;
- have achieved an average of at least 73% on the 3.0 principal courses required for the module;
- have obtained a minimum grade of 60% in each course required for the module;
- have obtained a passing grade in each elective course;
- have a minimum cumulative average of 65%.

Note: Students admitted to the university without the Mathematics prerequisites for the first year Mathematics courses for this program must fulfill the Mathematics prerequisite requirements before attempting these courses.

Transferring to King's BMOS Programs: Students enrolled at another affiliated university college or the constituent university must meet the admission requirements in order to transfer into a BMOS HONORS SPECIALIZATION at King's.

Progression Requirements

To progress in the BMOS HONORS SPECIALIZATION, students must

- maintain a minimum modular average of 70%
- obtain minimum grades of 60% in all courses listed for the module
- obtain a passing grade in each elective course (students who fail a course are not permitted to progress in Honors programs);
- maintain a minimum cumulative average of 65%.

Students who fail to meet these progression requirements may be eligible to apply to a BMOS Specialization or to another program.

Graduation Requirements

To graduate with a BMOS HONORS SPECIALIZATION, students must achieve a minimum modular average of 70% with a minimum mark of 60% in each course, obtain a passing grade in each elective course, and maintain a minimum average of 65% on the 20.0 courses counted towards the BMOS HONORS SPECIALIZATION Degree. Students with advanced standing must achieve an overall average of 65% on courses completed at Western.

All students require 2.0 designated essay courses (E, F or G; at least 1.0 of which must be a senior course numbered 2000-4999) and 1.0 course from each of the Categories A, B and C.
