

# King's Hour

**The Opioid Crisis and how it Impacts London**  
with  
**Dr. Chris Mackie**

Wednesday, January 24, 2018  
3:30 p.m.

Joanne and Peter Kenny Theatre  
King's University College  
266 Epworth Avenue, London

Dr. Chris Mackie is the Medical Officer of Health and CEO of Canada's largest independent local public health agency. He leads a dynamic organization that is influential in public policy and a leader in transparency and accountability. As a champion of harm reduction, Dr. Mackie has established support among citizens and policy-makers for London's award-winning and life-saving Naloxone program.
