

How to Select your Fall/Winter 2023 Courses

Selecting your courses can be exciting and fun, if you tap into the right resources.

Go to www.kings.uwo.ca/courses-enrolment and explore the information and advice we have prepared for you. To narrow your course selection down, follow the steps below:

- 1** Check your **adjudication comments** on the **Student Centre**: Academics > Program Status > Grade Report - Progression. Make sure to review your program status for any program/module changes related to your Grade Report before you begin course registration for the next term. Your program status may impact your eligibility to access courses during course registration.
- 2** **Program Checklists** tell you what courses you need for your module(s). Check off the courses you've taken, and shortlist the ones you haven't taken. In general, please follow the program checklist for the year in which you entered your module. Refer to the **Quick Degree Checklist** for overall degree requirements.
- 3** Check the **timetable** to see when courses are offered and which ones fit your schedule. Be sure to check **prerequisites**, **antirequisites**, and that you are meeting King's **residency requirements**. Read **course descriptions** and **course outlines** carefully.
- 4** Log into the Student Center and click **Draft my Schedule** to create your draft schedule(s). Note: when your course registration appointment opens, you will still need to add courses. Draft my Schedule is only a draft!
- 5** Wait for your online enrolment appointment, which will be posted to your Student Centre just before your appointment begins. Fall/Winter registration dates by year level: Year 4: July 4-7; Year 3: July 11-14; Year 2: July 18-21.
- 6** You are now ready to enroll in your classes! On the **Student Centre**, go to Academics > Course Registration > Search and Add
