

## **14-day Self-Isolation Assistance**

In keeping with current federal Covid-19 regulations in Canada, all King's students arriving from outside Canada will be required to self-isolate for 14 days upon entry to Canada. [Canada Self-Isolation Information](#)

## **Students in Residence Housing**

Your 14-day self-isolation must be completed prior to your arrival on campus. We have two services helping King's students with self-isolation service.

**Maple Assist** is providing a self-isolation service for King's students that includes transportation to London from Toronto Pearson Airport, accommodations, an optional meal package, regular check-ins and assistance. For more information about this service, go to <https://www.mapleassist.com/kings-university/>. Once your 14-day self-isolation is complete, Maple Assist will arrange for transportation to campus for you.

**Residence Marriott Inn** is also providing King's students accommodation, an optional meal package, regular check-ins and assistance. For more information about this service, please visit <https://www.marriott.com/event-reservations/reservation-link.mi?id=1620746645061&key=CORP&app=resvlink>

Students can also book their own transportation from their government-mandated stay to their quarantine location with Robert Q and King's will cover **50%** of the cost. For more information, visit [https://iesc.uwo.ca/internationalarrival2020/transportation\\_from\\_the\\_airport.html](https://iesc.uwo.ca/internationalarrival2020/transportation_from_the_airport.html)

King's will subsidize **\$500** of the Maple Assist or Residence Marriott Inn service fee (equivalent to 14 days residence room costs). Please register for this service a minimum of two weeks prior to your anticipated arrival date.

You must register for a residence move-in time prior to your arrival on campus. The Residence and Campus Life Office will email information about booking residence move in times.

Residence students who chose to make their own self-isolation arrangements must notify the Residence and Campus Life Office of this intention, complete a 14-Day Self-Isolation Plan form and provide verification of their arrival in Canada date. Please contact [Residence@kings.uwo.ca](mailto:Residence@kings.uwo.ca) if you plan to arrange your own self-isolation.

## **Students in Off-Campus Housing**

You may be able to complete your self-isolation in your off-campus housing location. Please carefully review the expectations for self-isolation [Canada Self-Isolation Information](#).

Maple Assist (<https://www.mapleassist.com/kings-university/>) and Residence Marriott Inn (<https://www.marriott.com/event-reservations/reservation-link.mi?id=1620746645061&key=CORP&app=resvlink>) can also provide self-isolation services for you. Please note, King's will not be providing a subsidy for students living off-campus.

We encourage you to monitor immigration and entry to Canada information to ensure you have the most up to date information as you make plans. For eligibility requirements for coming into Canada during the COVID-19 pandemic see: <https://www.canada.ca/en/immigration-refugees-citizenship/services/coronavirus-covid19/apply-visit-work-student.html#before-travel> To view more information about immigration during the COVID-19 pandemic, please visit [King's International Covid-19 Immigration Information](#).

If you have immigration questions or concerns please contact [international@kings.uwo.ca](mailto:international@kings.uwo.ca).

Sincerely,  
King's Residence and Campus Life Office and King's International
