

Summer Work Study at King's:

King's University College has job opportunities available, on campus, for students during the summer months! The Work Study Program is designed to give OSAP students the opportunity to work full time at King's between academic years. The program is currently open and accepting applications, until **3:30pm on Friday March 9th**. For information, including eligibility criteria and details on how to apply, please visit: <https://www.kings.uwo.ca/current-students/money-matters/financial-aid/workstudy/> and scroll down to the Summer Program. If you have questions, please contact Student Financial Services at King's (W144) by emailing studentfinance@kings.uwo.ca or by calling 519-433-3491 ext. 4319.

Students who are planning on taking summer courses and are unable to commit to a full-time position should look into the Summer Work Study Program at Western, which is intended for registered summer students. Applications for this program are made available online through the Student Centre in late April each year.
