

# Listening to Indigenous Voices

## A Dialogue Guide on Justice and Right Relationships

Through the writings of a variety of Indigenous authors and Indigenous artists we will listen deeply to Indigenous voices about their world views, the history of colonization, and concluding with sessions on righting relationships, decolonization, and indigenization.

Sessions will begin with a shared meal, and then follow the listening circle format based on readings prepared in advance of each week.

**This is a 7-part series\*  
every Wednesday  
beginning September 27, 2023
