The REAL Valentine Story

When we think of Valentine's day, we often think of romance, chocolate, flowers, those little winged cupids... But the true love story of Valentine’s day is not a mushy tale at all!

Valentine’s Day celebrates not one, but two St. Valentines! Both of these men loved God and the Church so much that they sacrificed their very lives for the faith and were martyred.

The tradition of exchanging Valentines began with St. Valentine. While he himself was in prison, he would send out encouraging notes of love to those who needed it.
