Eight Sunday in Ordinary Time
March 3rd, 2019

This Weeks Edition: Living the Life

DID YOU KNOW?
Today’s gospel is a continuation of Jesus’ teaching from last week. Jesus goes into greater depth and then asks us to build our lives as disciples based upon his teaching. Those who can do so will build up the Kingdom.

Celebrating the Lectionary 2017

Jesus used some sayings as he spoke to the people. He said: “Can one blind person lead another blind person? Won’t they both fall into a ditch? Are students better than their teacher? But when they are fully trained, they will be like their teacher.

You can see the speck in your friend’s eye. But you don’t notice the log in your own eye. How can you say, ‘My friend, let me take the speck out of your eye,’ when you don’t see the log in your own eye? You showoffs! First, get the log out of your own eye. Then you can see how to take the speck out of your friend’s eye.

A good tree cannot produce bad fruit, and a bad tree cannot produce good fruit. You can tell what a tree is like by the fruit it produces. You cannot pick figs or grapes from thorn bushes. Good people do good things because of the good in their hearts. Bad people do bad things because of the evil in their hearts. Your words show what is in your hearts.”

Gospel Reflection

I wonder what he means when he says we can’t see the log in our own eye...

________________________________________________________________________

I wonder how what is the difference between a good and a bad tree...

________________________________________________________________________

I wonder how our words show what is in our hearts...

What Is In Our Hearts Matters to God
A person’s words and actions are a reflection of what is in their hearts. Since we want our hearts to be kind and loving we should also try to make our words and acts kind and loving.

Below, write good and kind words and actions in the cutout hearts.
