

Welcome to Winter Academic Orientation!

A resource for students beginning their school year in January

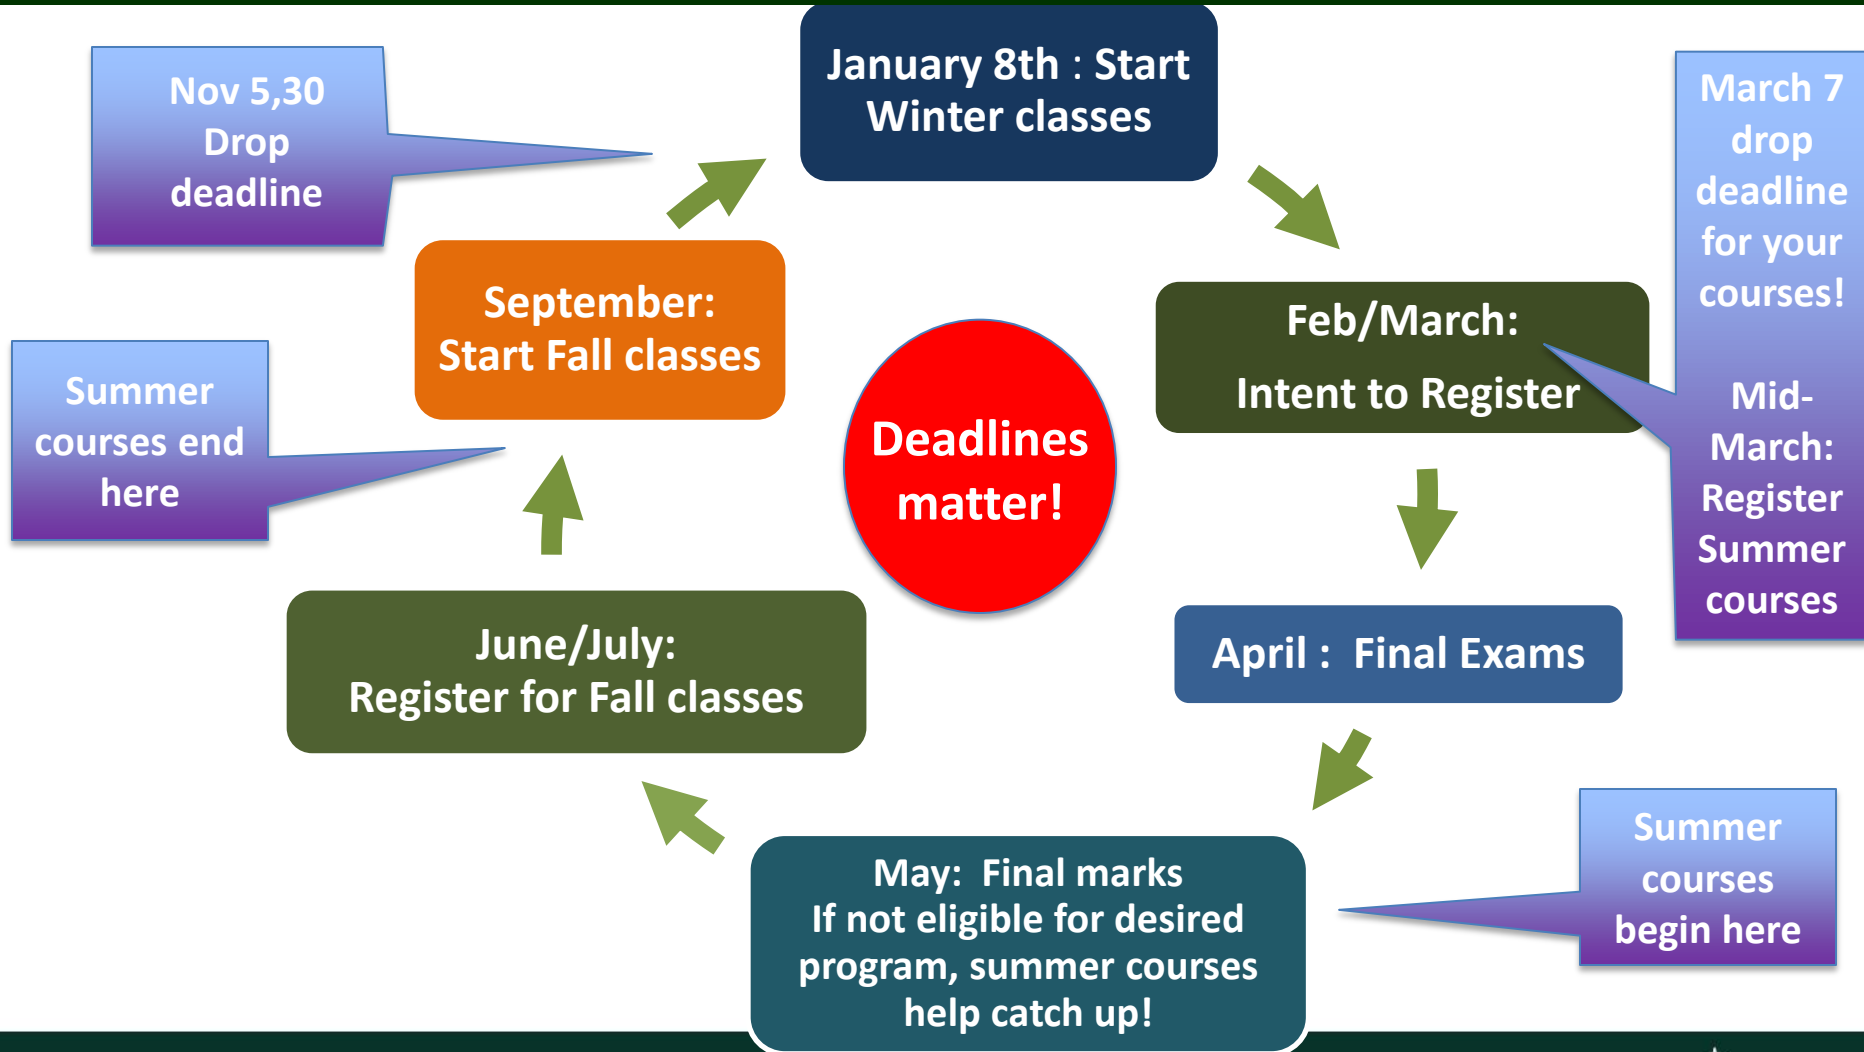

What we're discussing today

- What to expect, how to succeed
- Information about your degree
- Academic resources

What to expect at university

How your year will unfold

Expect to...

- engage with and enjoy your courses
- be challenged
- fine-tune your reading skills
- ask informed questions
- develop high-level critical thinking
- be evaluated through essays, multiple choice tests, presentations
- multi-task and meet deadlines
- be held accountable

How to succeed...

Choose courses that reflect your future plans

- Course selection → program eligibility
- No one-to-one connection between liberal arts degree and specific career
- Career counselling by Year 2 → some specific course choices in future

➤ ***Deadlines matter!***

Know your degree requirements!

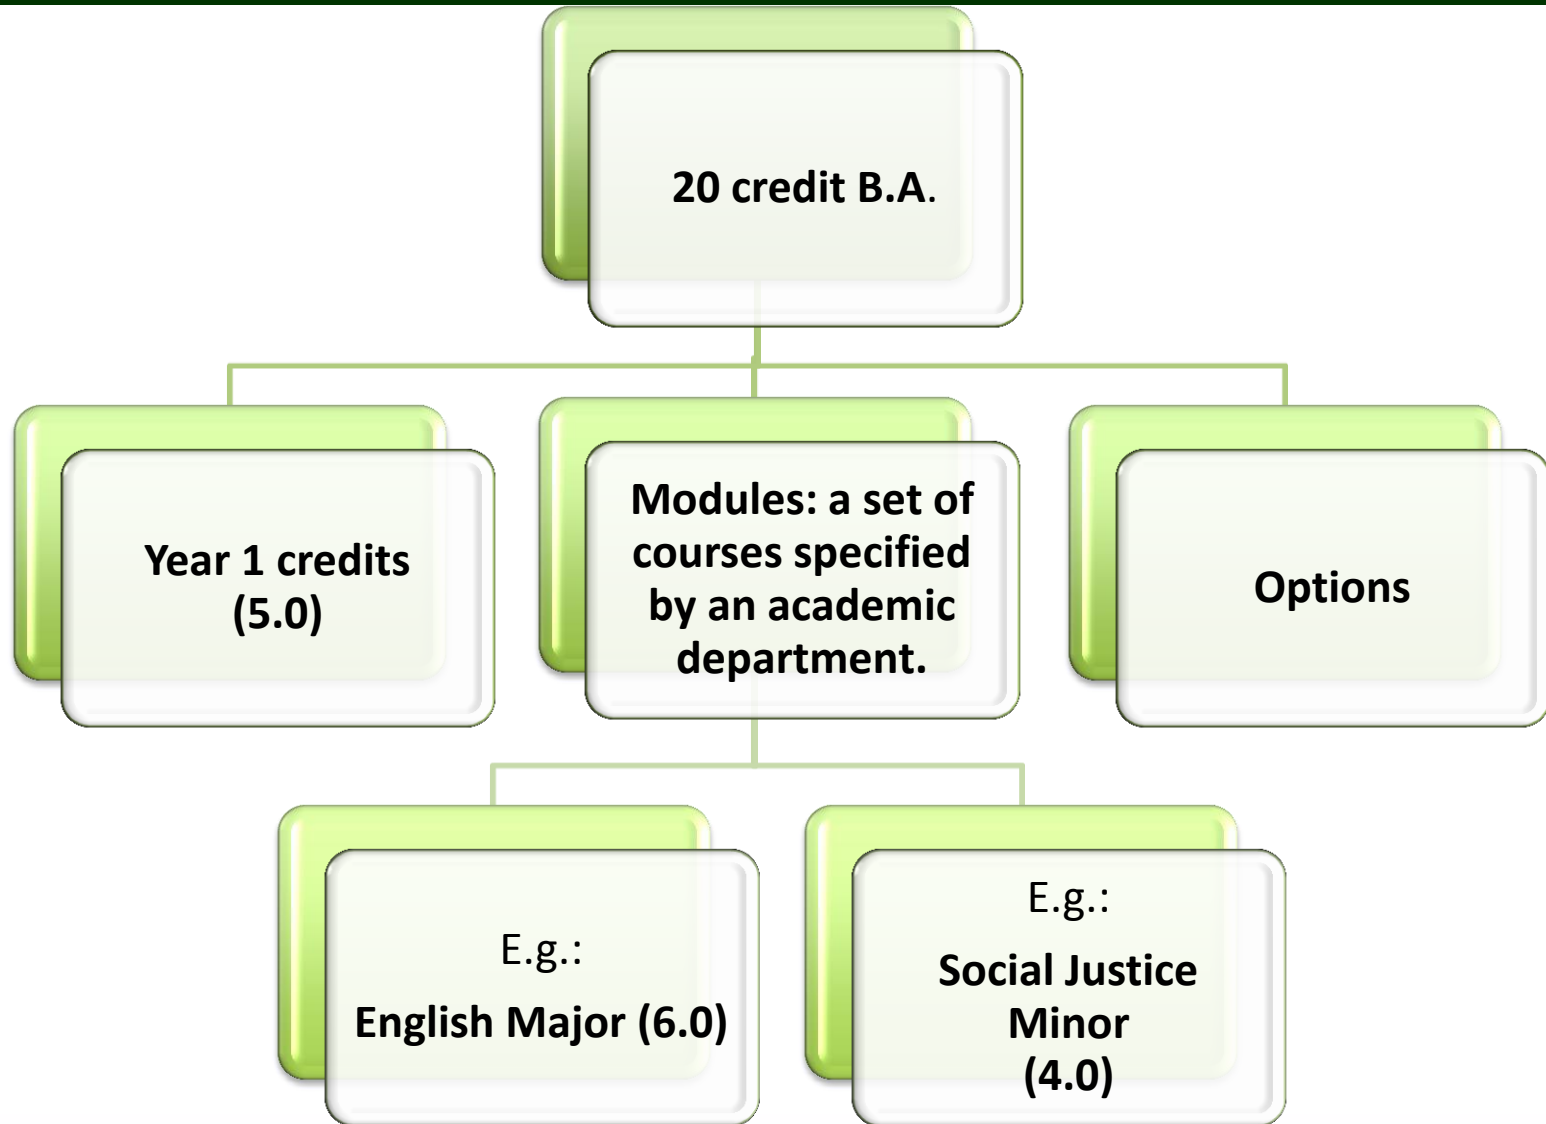

Your degree consists of:

- Year 1 courses (minimum 5.0)
- An ESSENTIAL module
- Additional module/s
- Electives or Options

Program requirements depend on the degree and module combination you choose.

A degree example

Ask for program checklists at the Academic Dean's Office (DL104)

The exciting part: selecting courses

- Trust your instincts. Select one or two courses in subject areas you love and do well in.
- Be a little adventurous! Explore something new.
- Be prudent: keep at least 3 module options open after Year 1.
- Check pre-requisites by reading the course description.
- Some courses are restricted to students in certain programs.

Course selection will depend on your background

First year student

- Take up to 5.0 courses at 1000 level
- Courses reflect strengths, interests, career hopes

Transfer student

- Provide course syllabi
- Note transfer credits NOT always = Year 1 Western credits
- Choose courses with an academic counsellor
- Courses reflect interests, strengths, career hopes AND completed prerequisites

Course selection guidelines: Year 1 requirements

5.0 credits 1000-1999

- at least four subject areas (*e.g.* History, Philosophy, Calculus, and Economics)
- Range, program options

Course selection guidelines: Breadth requirements

THREE CATEGORIES

A = Social Science **B** = Arts and Humanities and **C** = Sciences

- **IN YEAR 1:** 1.0 credit from at least **two** of the **three above**
- **BY GRADUATION:** At least 1.0 credit in each of the three above

Course selection guidelines: Essay requirements

- E = 1.0 essay credit; F, G = 0.5 essay credit
- 2.0 required by graduation; 1.0 of them 2000 level or up
- 1.0 essay recommended in Year 1

Course selection guidelines: Residency requirements

- Minimum of 3.0 courses at King's
- If a course is offered at King's, it must be taken at King's
- ❖ If you have an Entrance Scholarship, you must take a minimum of 4.0 courses

Progression: moving towards your dream program

**Want into a program?
Your first year course choices and grades are your
keys!**

Progression: moving towards your dream program

- At the end of this term, Year 1 students are likely to have 2.5 total credits. You need a minimum of 3.0 to enter a **module**. Go ahead and complete an [Intent to Register](#)* for your program anyway.
- To catch up on 5.0 Year 1 credits, and to take missing requisites for your desired **module**, plan your Summer studies. The Summer calendar will be available in March every year. (Go to www.westerncalendar.uwo.ca)
- Up to 3.0 credits can be completed in the Summer, but since Summer courses are highly compressed and challenging, we recommend taking up to 2.0.
- Talk to an Academic Counsellor (see slide 32) in March about Summer course selection.

*A process, completed online in Feb/March, that lets you indicate your program choices.

Progression: planning your dream program

Module: a set of courses specified by an academic department

1. Honors Specialization (9.0 – 10.0 credits)
2. Specialization (9.0 credits)
3. Major (6.0 – 7.0 credits)
4. Minor (4.0 – 5.0 credits)
