King's Enhanced Year Start your degree here.

Study English while earning
first-year university degree credits.
Apply now and start in September.

King's Enhanced Year (KEY)

King's University College and the **Western English Language Centre** have partnered to create the King's Enhanced Year (KEY). The KEY program is designed for students who are close to meeting the King's language proficiency requirements for direct entry to King's University College.

Students have access to all facilities, both at King's and Western, and have the advantage of studying in small classes to enhance their learning with individual, one-on-one attention. While strengthening their English, students will also be enrolled in two university-level degree credits to give them a head start on the completion of their degree at King's.

King's Programs

- Arts
- Social Sciences
- Finance and Wealth Management
- Management and Organizational Studies
- Childhood and Social Institutions
- Social Justice and Peace Studies

Students enrolled in the KEY program will be enrolled in the following degree credits:

- Economics 1021A (Micro)
- Economics 1022B (Macro)
- Math 1229A (Linear Algebra)
- Math 1230B (Calculus)

Study English and begin earning your Western degree at King's
