

March 1, 2023

Dear King's students,

Yesterday, you would have received an email from Western University indicating that out-of-province tuition will increase starting in the 2023 terms (2023 Summer and 2023 Fall/Winter).

Non-Ontario residents may request to be charged the Ontario Resident tuition rate by submitting a Non-Ontario Resident tuition fee exemption application and supporting documentation before term deadlines. Pathways to access the Ontario tuition rate can be found [here](#).

We understand this increase may cause some financial strain. We encourage you to look into the many programs and resources King's has in place to support you and to help with tuition costs:

Scholarships and Bursaries

King's offers many scholarships, awards, and bursaries available to both new and returning King's students. Some awards and scholarships are automatically awarded, while others require time to review eligibility and complete applications.

Work Study

King's provides work study opportunities year-round to provide a regular source of income to students in financial need, lessening their overall debt load. The work study program gives students the opportunity to work flexible hours on campus in jobs that accommodate their schedules.

Applications are currently being accepted for Full Time Summer Work Study 2023 until March 24, 2023.

Out of Province Loans

For further information about receiving financial aid from your home province, please follow the links on this page. If you have questions about out of province student aid, please forward your inquiries to studentfinance@kings.uwo.ca.

If you have any additional questions, please reach out to Student Financial Services by [email](#) or by phone at 519-433-3491 ext. 4319. You can also visit the Student Financial Services Counter Monday to Friday from 9 a.m. - 4:30 p.m.

Sincerely,

Tracy Cunningham Ed.D.
Director of Enrolment Services and Registrar
