To Faculty Council

April 5, 2017

The Faculty Research Activity Committee met twice during the 2016-17 Academic Year, in September 2016 and again in February 2017.

A new initiative this year will be the King's Peer Review, an online publication highlighting peer reviewed publications from King's full-time faculty.

The Faculty Seminar Series continued this year with Drs. Patton, Michalski, Lozanski and Vito presenting their research.

The Annual Faculty Book Launch took place on February 3rd, 2017 and was a well-attended event with twelve Scholarly Monographs being honored.

The Hugh Mellon Excellence in Research Award is now in its third year and was awarded to Dr. Don Kerr this year. This award was presented at the Faculty Publications Wine and Cheese in March.
